

# LAUNDRY

A laundry can be found near the entrance to the park. It is situated in the touring toilet/shower block.

In the laundry there is a spin dryer, washing machine, tumble dryer, iron, ironing board, sinks and drainers.

Tokens are required for the iron, tumble dryer and washing machine. These can be purchased from the Park Reception, during office opening hours or the Ocean Club reception desk. The spin dryer is free of charge.

Laundry tablets can also be purchased from Reception.

Once tokens are purchased, the laundry can be accessed at any time of day. The access code for the laundry door is the same as the barrier code.

Please follow the instructions carefully on the wall in the laundry room for use of the spin dryer, tumble dryer and washing machine, as you may lose your token otherwise.
